VIII. LEGISLATIVE SESSION RECAP

IX. CALL TO THE COUNCIL- Regional Council Members

X. DATE, TIME, LOCATION OF NEXT MEETING

Management Committee

July 12, 2018 – CAG Main Conference Room – Apache Junction

August 2, 2018 – CAG Main Conference Room – Apache Junction

Regional Council

July 25, 2018 – CAG Main Conference Room

August 22, 2018 – CAG Main Conference Room

XI. EXECUTIVE SESSION

P – F – T

Pursuant to Personnel ARS §38-431.03 (A) (1), (3) and (4).

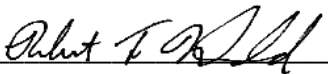

- A. Regional Council will review Management Committee Performance Evaluation Subcommittee findings including 360 evaluations, and conduct a performance evaluation of Executive Director.
- B. Discussion of possible recommendations to Members of Regional Council regarding employment status of Executive Director, including analysis of contract, and legal advice regarding employment or other separation options of Executive Director and possible succession planning in the event of separation.

RECONVENE

- A. Discussion of possible recommendations regarding a performance Evaluation - *Bill Sims* **P – F – T**
- B. Discussion and possible action concerning the Employment Contract with the Executive Director and possible action on a separation agreement of employment of Executive Director – *Bill Sims* **P – F – T**

XII. ADJOURNMENT

P – F – T

Approved by

New CAG Location Mustang Center

CONSENT AGENDA ITEM:	YES	<input checked="" type="checkbox"/>	NO	<input type="checkbox"/>

**CENTRAL ARIZONA GOVERNMENTS
Request for Regional Council Action**

TO: Regional Council

THROUGH: Robert MacDonald, Executive Director

FROM: Travis Ashbaugh, Transportation Planning Manager

ACTION: Approval – (CONSENT)

RE: CAG Six-Year Traffic Count Location Program for FY 2019 – FY 2024

DATE: June 27, 2018

Summary

Through the ADOT Annual Work Program, CAG has the responsibility to collect and report traffic count information within the CAG Transportation Planning Boundary to meet the Highway Performance Monitoring System (HPMS) program requirements through the Federal Highway Administration (FHWA).

Staff and Committee Recommendations

That the Regional Council approve the CAG Six-Year Traffic Count Location Plan for FY 2019 to FY 2024 within the CAG Transportation Planning Boundary.

Proposed Motion

That the CAG Regional Council approve the CAG Six-Year Traffic Count Location Plan for FY 2019 to FY 2024 within the CAG Transportation Planning Boundary.

Discussion:

The CAG Six-Year Traffic Count Location Plan for FY 2019 to FY 2024 provides a six year schedule for required and local count locations identified by the local agencies. The Six-Year Traffic Count Location Plan provides a schedule for such locations to be counted once within the six years span with the exception of seventeen (17) locations that are conducted annually to be used as growth factors. The growth factors would then be applied towards the traffic count locations that are conducted once every six years to provide an estimated count in between years until they are physically counted again.

Alternatives

The Regional Council has the following alternatives to consider for their action:

- Approve the item as presented;
- Propose changes approve the modified item;
- Return the item to staff for additional changes or more information.

Fiscal Impacts

Funding for performing the counts identified in the CAG Six-Year Traffic Count Location Plan is contained with the CAG budget documents and is reimbursed through ADOT funds.

Since 2002, CAG has contracted out the HPMS activities to Works Consultant and through their existing contract has developed a Six-Year Traffic Count Location Plan. Historically, all HPMS activities has been funded through the Surface Transportation Block Grant Program (STBGP). The plan provides high potential costs savings overall and would potentially free up STBGP dollars that could be used for local agency projects.

Background

Historically, there have been approximately 350-375 traffic counts conducted over various locations within the CAG Region from year to year. These locations to conduct the traffic counts have been identified by the local agencies over the years with slight modifications. The span of time for each individual location that were counted ranged from every year to every three years. However, the HPMS program only requires specific identified locations to be counted every six years.

**CENTRAL ARIZONA GOVERNMENTS
Request for Regional Council Action**

TO: Regional Council

THROUGH: Robert MacDonald, Executive Director

FROM: Travis Ashbaugh, Transportation Planning Manager

ACTION: Approval – (**CONSENT**)

RE: CAG 2018 Title VI Non-Discrimination Program Implementation Plan Update

DATE: June 27, 2018

Summary

The Title VI Non-Discrimination Program Implementation Plan (Title VI Plan) is designed to aid the Transportation Department in its ability to provide oversight and ensure that there is Title VI compliance throughout the CAG Region. As a recipient of Federal funds from the Arizona Department of Transportation (ADOT) through the United State Department of Transportation (USDOT), CAG is held to a standard of non-discrimination as described within the CAG Title VI Plan.

Staff and Committee Recommendations

CAG staff, the TTAC, and Management Committee recommends the Regional Council approve the CAG 2018 Title VI Non-Discrimination Program Implementation Plan Update.

Proposed Motion

That the CAG Regional Council approve the CAG 2018 Title VI Non-Discrimination Program Implementation Plan Update.

Discussion:

Annually, CAG updates its Title VI Non-Discrimination Program Implementation Plan. The updates include updated demographic tables using the latest 5-year American Community Survey (ACS) data through the U.S. Census Bureau. In addition, textual updates are made per the request of ADOT’s Civil Rights Office when needed due to changes in interpretations and/or requirements through the Federal Highway Administration (FHWA) or the Federal Transit Administration (FTA). With the exception of the Tables throughout the document, Microsoft Word “Track Changes” have been provided to locate textual changes.

Alternatives

The Regional Council has the following alternatives to consider for their action:

- Approve the item as presented;
- Propose changes and approve the modified item;
- Return the item to staff for additional changes or more information.

Fiscal Impacts

The CAG 2018 Title VI Non-Discrimination Program Implementation Plan Update poses no direct Fiscal Impacts to CAG. The Title VI Plan is required to be updated annually through ADOT's Civil Rights Office. If not approved, CAG risks losing Federal Transportation funding.

Background

In order for CAG to receive Federal Transportation funds, it is CAG's policy to assure full compliance with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, and related statues and regulations in all Federal Aid Highway programs and activities. Title VI requires that no person shall, on the grounds of race, color, and/or national origin be excluded from the participation in, be denied the benefits of, or be otherwise subjected to discrimination under any Federal Aid Highway program or other activity for which CAG receives Federal financial assistance.

CENTRAL ARIZONA GOVERNMENTS Request for Regional Council Action

TO: Regional Council
FROM: Robert MacDonald, Executive Director
ACTION: Information
RE: Executive Director's Report
DATE: June 27, 2018

Executive Directors Report

This monthly report provides the Regional Council with an update on the activities performed since our last meeting through the June 27th meeting.

Regional Council

- CAG staff and I presented a number of items for discussion, review and approval at the March 28th meeting of the Regional Council. The meeting was concluded in about an hour.
- Met with the Executive Committee in Payson on April 30th to review the financial status for CAG operations as well as discuss action items request by the committee members for the Executive Director and staff of CAG. A weekly report was requested from me to cover a number of topics.
- The Budget Committee and the Executive Committee met on May 24th to review the budget and the financial condition of CAG with action steps developed for implementation by CAG staff.

Administration

- CAG finance staff and I continued to meet to review the current status of the CAG programs and engaged in various discussions on the AP/AR, payroll, benefits, grants, office construction, budget, travel reimbursements and cash flow analysis.
- Scheduled and prepared for the independent external audit for FY 2016-2017 starting on June 11th
- The tenant finish construction for the new CAG office space was completed at the beginning of May. Staff and movers relocated all the office contents from the temporary office, the two PODS and the storage unit. Unpacking and setup of the office was accomplished while maintaining CAG operations. It was a job well done by the employees of CAG!
- Reactivated the CAG line of credit with Wells Fargo Bank with my name on the account.

Outreach

- Attended the March 19th Joint meeting of the Councils for the City of Globe and the Town of Miami. Also, spoke with the Paul Jepson and Joe Heatherly and met some of their key staff.
- CAG Regional Council Chairman Al Gameros and I met in Globe to review the agenda for the upcoming RC meeting and attended the San Carlos Apache Tribe Elders lunch meeting.

- Met with Mayor McFarland and the City of Casa Grande administrative leadership to listen to their key projects and look for ways for CAG to assist in their efforts for economic development, bike system planning and implementation as well as administration of the PRTA related to their projects.
- Attended the City of Eloy City Hall groundbreaking ceremony with many CAG Regional Council members.
- Met with Mayor Thompson and City Manager Rick Miller of the City of Coolidge to listen to their key issues and look for ways in which CAG can support their efforts.
- Met with Mayor Christian Price and Interim City Manager Patricia Sorensen of the City of Maricopa to listen to their key issues and look for connections to the CAG services. One topic of possible work for CAG would be for the development of maps for the utilities serving the City.
- Bryant Powell and Matt Busby met with me to provide me information on the key activities in the City of Apache Junction and how CAG may be able to assist in the future.
- Participated in the monthly EPC meeting hosted at CAG.
- Attended the Pinal County Joint Land Use Study (JLUS) public meeting in Florence with the consultant team I used to work with on military planning efforts.

Transportation Planning

- Called in to the monthly RTAC meeting to listen to the discussions on the various topics of interest to CAG from the legislative session underway.
- Participated in the March meeting of the SCMPO Executive Board in the City of Casa Grande. Met with some of the local city and town managers in attendance.
- Worked with Travis and the CAG committees to develop, refine and finalize the ADOT Work Program for CAG for FY 2019. One of the CAG requests for ADOT was to increase the budget to fund CAG's proposed effort to provide planning level cost estimated for transportation projects for the local government members. This new program was estimated for a \$50,000 contract addition for CAG in our ADOT Work Program. Unfortunately, ADOT was not able to fund this new program in FY 2019 due to budget limitations. We will request the new program next year.
- Attended the annual ADOT Roads and Streets conference in Tucson to learn of local government best practices for transportation projects/programs that may be of interest for CAG members.
- Participated in the Annual Arizona Transit Conference in Tucson and also met with the statewide mobility managers group during the conference.
- Travis and I hosted the April meeting of the CAG TTAC in Gila County and I participated by phone for the May TTAC meeting.
- Participated in the East Valley Transportation Infrastructure Stakeholder Meeting to learn of their topics and plans of actions moving forward.
- Worked with ADOT to implement the joint recommendations from their audit of CAG in 2017.
- Attended the June workshop meeting of the Arizona Transportation Board in Phoenix.
- Attended the State Transportation Board Meeting in Globe.
- Met with All-Aboard-Arizona representatives to share information on regional rail planning.

Community Development Block Grant (CDBG)

- With Alan and Ken, I reviewed and finalized the contracts for the three communities of Superior, Mammoth and Winkelman to initiate projects in their communities over the next 18-24 months.
- Alan, Ken and I attended the Pinal County CDBG Entitlement meeting in Casa Grande to learn of the proposal and necessary actions requested of some of the CAG local governments.

Lead Paint Abatement Program

- Continued to meet with local banks to initiate a \$2.0 million escrow account for use by CAG for the Gila County Lead Paint Abatement Program in Hayden and Winkelman. Finally came to an agreement with Bank of America to establish the account and test the reimbursement process with a successful first withdrawal.
- Alan and Ken issued the RFQ during the week of June 4th with openings of the proposals scheduled on June 28th. We anticipate the initial outreach efforts to start this summer.

208 Plan Amendments

- With Travis and Alan, met with County Supervisor Mike Goodman to discuss a proposed 208 Plan Amendment for Queen Creek and Mesa.
- Reviewed the current 208 Plan Amendments submitted to CAG for reference in anticipation of future meetings.

Economic Development

- Brad Mecham and I attended the Economic Summit meeting convened by the Town of Florence to listen to the activities being pursued by various entities. Also, met Mayor Tara Walter and Town Manager Brent Billingsley.
- With many CAG Regional Council members and staff, participated in the JPAC/EDGE conference. Presented information at the conference on the economic development and transportation interaction in the CAG region.
- Participated in the May meeting of the CEDS Committee hosted at CAG's new office.

Information Services

- Continued to identify updates and clarifications of items on the CAG website.
- Met with Amy St. Peter, Denise McClafferty, Dennis Smith and Eric Anderson of MAG to review possible services CAG could provide to MAG. Agreed to develop a planning services contract in the range of \$40-45,000 for FY 2019 and work together to identify other opportunities between the two agencies.

Pinal RTA

- Met with CAG Regional Council member/Vice-Chairman Dave Waldron, Greg Stanley, Louis Andersen, Andy Smith and Andrea Robles in Casa Grande to discuss start-up needs for the Pinal RTA operations.
- With the Pinal County RTA team, met to review the process for using the Pinal County Treasurer's Office for PRTA funds and accounts. Also separately met to review possible funding options for use in delivering the PRTA program for the local governments. The team also met on May 22 to develop proposed allocation of duties for the PRTA Executive Director and the General Manager.
- Participated in the April meeting of the PRTA TTAC in Mammoth; the May and June TTAC meeting by phone, the Transit Committee meeting in Florence, the April PRTA Board of Directors meeting in Florence and the May Board of Directors meeting in Casa Grande.

CENTRAL ARIZONA GOVERNMENTS Request for Regional Council Action

TO: Regional Council

THROUGH: Robert MacDonald, Executive Director

FROM: Brad Mecham, Economic Development & Planning Manager

ACTION: Approval

RE: Comprehensive Economic Development Strategy (CEDs)

DATE: June 27, 2018

Summary

Each year, CAG staff is tasked with updating the Comprehensive Economic Development Strategy (CEDs) for the CAG region. This is done in cooperation with the CEDs Committee, made up of private and public sector representatives from throughout Gila and Pinal Counties. This year, CAG created an annual update of the CEDs, which includes a new project listing included in the appendix of the CEDs. As projects are identified in the CEDs, they qualify for competitive grant funding from the Economic Development Administration, and assists in vetting projects for other grant sources.

Staff and Committee Recommendations

Approve the CEDs and submit to Economic Development District Board for consideration.

Proposed Motion

Recommend that the CAG Regional Council approve the CEDs as presented and submit to Economic Development District Board for consideration.

Discussion:

The final draft will be submitted to the Economic Development Administration by the end of July.

Alternatives

N/A

Fiscal Impacts

CAG receives \$70,000 each year from the EDA to complete the CEDs updates and participate in regional economic development activities.

CENTRAL ARIZONA GOVERNMENTS Request for Regional Council Action

TO: Regional Council

THROUGH: Robert MacDonald, Executive Director

FROM: Travis Ashbaugh, Transportation Planning Manager

ACTION: Approval

RE: CAG FY 2018 – FY 2028 Transportation Improvement Program

DATE: June 27, 2018

Summary

CAG is responsible for identifying, prioritizing, and programming transportation improvement projects that are to be completed over a minimum four-to-five-year period on local and regional roads using regionally accepted policies and plans. Projects that meet federal requirements are eligible for CAG’s allocated regional Surface Transportation Block Grant Program (STBGP) funds within the TIP.

Staff and Committee Recommendations

CAG Staff, the TTAC, and Management Committee recommends the Regional Council approve the following FY 2018 – FY 2028 TIP Amendments.

1. FY 2018 HSIP Dollars

- a. Loan to ADOT **\$128,084.33** and receive equivalent amount for FY 2018 in STBGP dollars.
 - i. **\$50,000** in additional funding towards the *E. Bonita Street (Project # PAY 16-01C)*
 - ii. The remaining **\$78,085.71** will be loaned back to ADOT with payback in FY 2021 to be applied towards the Design of the proposed *Jesse Hayes/Pinal Creek Bridge (#8603) & Intersection* project.

2. E. Bonita Street (Project # PAY 16-01C) – Additional Funds

- a. Apply available FY 2018 STBGP dollars in the amount of **\$50,000** to overall project.
- b. Increased STBGP dollars from **\$842,918.11** to **\$892,918.11** overall.
- c. Increased required Local Match dollars from **\$50,950.51** to **\$53,972.78** overall.
- d. Total Project dollars increased from **\$893,868.62** to **\$946,890.89**.

3. Jesse Hayes/Pinal Creek Bridge (#8603) & Intersection – DESIGN

- a. Proposed for FY 2021.
- b. Credits from completed projects and/or Loans with ADOT (not yet processed) from FY 2018 to FY 2020 to be applied towards project.
- c. Ask for Loan from ADOT for remaining needs to be paid back in FY 2022.
- d. STBGP dollars in the amount of **\$207,500**.
- e. Local Matching dollars in the amount of **\$12,542.42**.
- f. Total Project dollars in the amount of **\$220,045.42**.

4. Jesse Hayes/Pinal Creek Bridge (#8603) & Intersection – CONSTRUCTION

- a. Proposed for FY 2024.
- b. STBGP dollars in the amount of **\$380,000**.
- c. Potential Off-System Bridge dollars through ADOT in the amount of **\$1,000,000**.
- d. Potential State Railroad dollars through ADOT in the amount of **\$100,000**.
- e. Local Matching dollars in the amount of **\$83,414.63**.
- f. Total Project dollars in the amount of **\$1,563,414.63**.

5. Longhorn & McLane Roundabout – RIGHT OF WAY ACQUISITION

- a. Proposed for FY 2023
- b. STBGP dollars in the amount of **\$42,435**.
- c. Local Matching dollars in the amount of **\$2,565**.
- d. Total Project dollars in the amount of **\$45,000**.

6. Longhorn & McLane Roundabout (Project # PAY 24-01C) – CONSTRUCTION

- a. Move from FY 2024 to FY 2025.
- b. Loan ADOT \$424,463.86 of STBGP dollars in FY 2023 to be paid back in FY 2025.
- c. Increased STBGP dollars from **\$548,927.72** to **\$966,246.13**.
- d. Increased Local Match dollars from **\$33,180.15** to **\$58,405.12**.
- e. Total Project dollars from **\$582,107.87** to **\$1,024,651.25**.

7. S. Goodnow Road – DESIGN

- a. Proposed as a HURF Exchange project for FY 2026.
- b. HURF Exchange in the amount of **\$150,000** (STBGP dollars needed = **\$166,666.67**).
- c. No Local Match Required.

8. S. Goodnow Road – CONSTRUCTION

- a. Proposed as a HURF Exchange project for FY 2028.
- b. HURF Exchange in the amount of **\$540,000** (STBGP dollars needed = **\$600,000**).
- c. No Local Match Required

9. Houston Mesa Road – (New Shared Use Path Phase II) – CONSTRUCTION

- a. Proposed as a HURF Exchange project for FY 2027.
- b. HURF Exchange in the amount of **\$430,235** (STBGP dollars needed = **\$478,043**).
- c. No Local Match Required

10. CAG Traffic Counts

- a. Annual Highway Performance Monitoring System (HPMS) activities for CAG Region.
- b. STBGP dollars in the amount of **\$50,000**.
- c. Local Matching (In-Kind) dollars in the amount of **\$3,022.27**.
- d. Total Project dollars in the amount of **\$53,022.27**.

11. White Mountain Road (BIA 10) & Airport 79 Road – Street Light Project

- a. San Carlos applied for competitive Highway Safety Improvement Program (HSIP) dollars for FY 2021 & FY 2022 and will be placed as a “parking lot” item until awarded.
- b. HSIP dollars in the amount of **\$150,000** for Design in FY 2021.
- c. HSIP dollars in the amount of **\$678,611.38** for Construction in FY 2022.
- d. No Local Match is required as project is eligible to be 100 percent funded under HSIP.
- e. Total Project dollars in the amount of **\$828,611.38**

Proposed Motion

That the CAG Regional Council approve the CAG FY 2018 – FY 2028 TIP Amendments as presented.

Discussion:

The recommended Amendments are reflected in the attached DRAFT CAG FY 2018 – FY 2028 TIP document, and are in BLUE FONT outlined with a RED BOX. Amendments listed as “PROPOSED” were due to the recent “Call-for-projects” for the use of available STBGP dollars within the 10-year TIP.

Alternatives

The Regional Council has the following alternatives to consider for their action:

- Approve the items as presented;
- Propose changes and approve the modified item(s);
- Return the item to staff for additional changes or more information.

Fiscal Impacts

The presented CAG FY 2018 – FY 2028 TIP Amendments have a potential Fiscal Impact of Approximately **\$2,150,000** with up to **\$122,550** in required Local Matching dollars. The Local Agencies are responsible to budget for their Local Match as appropriate.

The \$50,000 CAG Traffic Count Program is contained with the annual budget and will be completed with consultants and/or CAG staff.

Background

CAG initiated a Call-for-Projects for available regional STBGP dollars listed within the CAG FY 2018 – FY 2028 TIP, on February 8, 2018. The total amount of STBGP dollars available for programming, to date, amounts to approximately \$2.15 Million. All applications submittals were due to CAG on April 12, 2018. Each eligible voting member of the CAG TTAC was then provided all applications for ranking purposes utilizing a TTAC approved ranking sheet to determine prioritization. After submittal presentations and committee discussions, final rankings were determined. Although ADOT requires CAG to program federal dollars for only five years, CAG programs a 10-year TIP.

TO: Regional Council

THROUGH: Robert MacDonald, Executive Director

FROM: Travis Ashbaugh, Transportation Planning Manager

ACTION: Approval

RE: CAG FY 2019 ADOT Annual Work Program

DATE: June 27, 2018

Summary

Each Fiscal Year, the Arizona Department of Transportation (ADOT) Multi-modal Planning Division (MPD) prepares a Work Program for each Council of Governments (COG) that includes goals, objectives, and required elements to be undertaken with Federal funds distributed by ADOT. The Work Program requires each COG to comply with all applicable Federal and State requirements and describes transportation planning activities to be conducted by CAG within the CAG Transportation Planning Boundary.

Fiscal Impacts

The CAG FY 2019 ADOT Annual Work Program provides \$195,000 Federal dollars to the CAG Transportation Department budget to carry out the elements that are identified within the Work Program and other transportation related activities. CAG is required to provide a local match of approximately \$42,000. The in-kind match is documented through the participation forms provided to our local government and partner agency staff at the variety of CAG meetings they attend. These forms allow CAG to use the value of the in-kind services rather than cash.

Attachment:

CAG FY 2019 ADOT Annual Work Program

Central Arizona Governments Annual Work Program

**State Fiscal Year 2019
July 1, 2018 – June 30, 2019**

I. Work Program Purpose

Each year the Arizona Department of Transportation Multimodal Planning Division (ADOT MPD) prepares a Work Program (WP) for each Council of Government (COG) including goals, objectives, and required elements to be undertaken with federal funds distributed by ADOT. The WP requires each COG to comply with all applicable federal and State requirements and describes transportation planning activities to be conducted by the COG during the fiscal year. The WP is prepared for a period of one fiscal year beginning July 1st, and applies to the entire fiscal year ending June 30th.

ACTIVITY/EVENT	DATE	RESPONSIBILITY
Begin Working on Draft WP	December-January	COG & ADOT
ADOT Provides First WP Draft to COG	March 1	ADOT
COG Submits WP Comments to ADOT	April 1	COG
Regional Council Approval of WP	Apr 30	COG
Final WP Due to Regional Planner	Apr 30	COG
Execute Amendment to Extend Agreement	Prior to June 30	ADOT
Final Invoice for WP ending June 30	July 31	ADOT

The WP work elements are developed to meet the ten planning elements of the FAST Act.

1. Support the economic vitality of the nonmetropolitan area, especially by enabling global competitiveness, productivity and efficiency.
2. Increase the safety of the transportation system for motorized and non-motorized users.
3. Increase the security of the transportation system for motorized and non-motorized users.
4. Increase the accessibility and mobility of people and freight.
5. Protect and enhance the environment, promote energy conservation, improve the quality of life, and promote consistency between transportation improvements and State and local planned growth and economic development patterns.
6. Enhance the integration and connectivity of the transportation system, across and between modes, for people and freight.
7. Promote efficient system management and operation.

8. Emphasize preservation of the existing transportation system.
9. Improve the resiliency and reliability of the transportation system and reduce or mitigate storm water impacts of surface transportation
10. Enhance travel and tourism

II. Work Elements - Roadways

Work Element 1: Public Involvement

1.1 Public Involvement Plan:

The COG will develop a public involvement plan that will guide outreach activities to stakeholders including agency staff, elected officials, the public, transportation providers and human service agencies, and other interested parties. In compliance with Federal and State regulations, the public involvement plan will address outreach for COG activities that occur throughout the fiscal year. Activities include development and amendment of the COG TIP and ADOT STIP, participation in ADOT planning studies such as the statewide long-range plan, and transportation coordination planning activities, including support for regional coordination councils that meet the FTA requirements.

1.2 Public Involvement Activities:

Public involvement activities will include the following:

- Conduct public involvement activities, as defined by the public involvement plan, as appropriate and feasible based on the development of the Plan;
- Demonstrate compliance with public involvement activities, such as the required minimum 45-day review period for the Transportation Improvement Program (TIP)

1.3 Consultation:

Consultation activities will include the following:

- Activities will include consultation with non-metropolitan elected officials and appointed officials with responsibility for transportation, public meetings, appropriate notification, and other elements;
- Follow guidelines set forth in ADOT policy document Consultation with Non – Metropolitan Local Officials found at: <http://www.azdot.gov/mpd/TCROpolicy.asp>;
- For areas that do not meet the National Ambient Air Quality Standards, coordinate with ADOT Air Quality staff to comply with interagency consultation requirements.

1.4 Web Site:

Maintain the COG Web site with current and accurate data. The Web site will include, at a minimum, the following:

- Organizational chart;
- Name, title, and contact information for each staff member;
- Membership lists for the Technical Advisory Committee, Regional Council/Executive Board, and any other COG committees. The lists will include the name, title, and contact information for each member;

- Dates, locations, agendas, and minutes for the meetings of each committee. Agendas shall be posted a minimum of 24 hours before the scheduled meeting. Minutes shall be posted within 5 days of approval;
- Transportation Improvement Program, to include all subsequent amendments. Within 30 days of approval TIP amendments must be posted in compliance with federal regulations (23 CFR 450);
- Transportation coordination planning activities to include meeting schedules, agendas and minutes, provider information and current plans;
- Public involvement activities;
- Files or links to relevant planning studies conducted by the COG, ADOT, or member agencies; and
- Ensure that accurate data on public transit and human service agency transportation programs and services, whether operated by public, private for-profit, or private non-profit entities, is collected, maintained, and posted for use of stakeholder agencies.

Work Element 2: Highway Performance Monitoring System (HPMS) Data

2.1 HPMS Data Collection and Reporting

2.1.1 Traffic Reporting Using the TCDS Module on MS2

Using the Traffic Count Database System (TCDS) web application, upload the raw traffic data onto the MS2 website. Raw traffic count data will be processed on the TCDS application to derive and/or apply seasonal factors to compute annualized ADTs, vehicle class, and other traffic statistics. If permanent/continuous count station data is available on non-state system roadways within the MPO/COG, ADOT will work with the local agency to connect the permanent/continuous count station data to the TCDS module to assist in developing additional seasonal factors. Collected traffic data shall be reported irrespective of the functional classification of the roadway segment.

Using the tools in the TCDS application to perform the following tasks related to the reporting of a member agency's traffic count data.

- Update and maintain the locations of the blue squares (let's define these "blue squares") that reflect traffic count stations employed by the agency.
- Upload the member agency's raw traffic volumes and classification counts using the Multi-file Upload tool of the TCDS module. Use the Count Group Assign List interface for quality control, review, processing, display to the public through the internet, and annual inclusion to the HPMS database.
- To satisfy HPMS requirements, short-term traffic counts must be at least 48-hour duration and will be automatically calculated to annualized ADT volumes by the TCDS application at year-end processing time;
- If needed, provide ADOT staff, or its contractors, with metadata about the collected traffic counts

2.1.2 Administrative Support, Training and Compliance

To facilitate the objectives of this Work Element, each COG will agree to perform the following tasks

- Ensure that traffic data collected by or for its member agencies is completely and successfully posted to the web-based TCDS application in its raw format ONLY so that it can be reviewed, processed, and analyzed by ADOT and incorporated into the state HPMS database and used for Statewide traffic analysis and planning;

- Coordinate with the ADOT Transportation Analysis Section and Data Management Section to receive training on traffic data collection and data loading onto the TCDS web application for local jurisdictions throughout the year. The training workshops will be provided by ADOT staff and/or its contractor in person or through internet webinars as needed;
- Load all short-term raw traffic counts continuously throughout the calendar year as the counts are done. If this is not possible the previous calendar year's traffic collection efforts shall be uploaded no later than by February 1st of the next year. For example: by February 1st, 2019, all the traffic data collected within the MPO/COG in the calendar year 2018 shall be uploaded onto TCDS and be available for ADOT to process into the HPMS Submittal.

2.1.3 Traffic Counting Services

To facilitate the objectives of this Work Element, each COG will agree to perform the following tasks

- Conduct the listed traffic counts in accordance to the approved CAG 6-year Traffic Count Location Schedule.

Work Element 3: Road Change Requests and Data Reporting

3.1 Federal Functional Classification:

- If a functional classification change is needed, submit a completed reclassification worksheet to ADOT MPD. The PDF worksheet is available on the ADOT MPD website at <http://azdot.gov/maps/functional-classification-maps>. The request submitted to the Transportation Analysis Section must include a signed official memo indicating the reclassification request, and a map of the area indicating the route reclassification requested;
 - Please note that this process is being reviewed and changed as part of a current process improvement. The changes will come in the form of a web application that simplifies and clarifies all functional classification change requests using online maps and web forms.

3.2 Data for Population Projections and Estimates

Ensure that population data from the COG region is collected according to requirements of the Arizona Office of Economic Opportunity.

- Actively participate in the Arizona Office of Economic Opportunity Council for Technical Solutions; and
- Work with local jurisdictions to ensure that data required for the preparation of population estimates and projections are collected and submitted to the Arizona Office of Economic Opportunity by the prescribed due date.

3.3 Air Quality Standards

23 U.S. Code § 135 - Statewide and nonmetropolitan transportation planning, section (b) (2) states that a State shall - develop the transportation portion of the State Implementation Plan as required by the Clean Air Act (42 U.S.C. 7401 et seq.) This requires the need to collect information from nonattainment areas (Nogales, Douglas/Paul Spur, Bullhead City, Payson) as follows, when requested by ADEQ or ADOT:

- Listing of public roads maintained by local governments, including paved roads, unpaved roads and maintenance activities and travel that occur on those facilities. Including: Total lane miles are paved (or will be paved, by year), total lane miles of unpaved roads (any dust palliatives, stabilization/watering, chip sealing activities on road, by year), total daily traffic (VMT) on all roads, by year, planned construction or improvement activity on all roads, by year, disclosure of known regionally significant private road ways built or planned, by year (Note: All regionally significant projects must be included in the TIP, regardless of funding source).

40 CFR PART 93—Determining conformity of Federal Actions to State or Federal Implementation Plans – §93.105 Consultation, §93.110 Criteria and procedures: Latest planning assumptions, §93.111 Criteria and procedures: Latest emissions model:

- Coordinate with ADOT Air Quality staff to participate on interagency consultation conference calls or meetings involving ADOT, ADEQ, EPA, FHWA and FTA to review all input planning assumptions, methodologies, and analysis years during a required conformity analysis for the nonattainment areas.

Timely implementation of Transportation Control Measures, §93.113:

- Coordinate with ADOT Air Quality Staff to annually submit by April 1 a report for the committed control measures by the jurisdictions in the Rural PM10/PM2.5 nonattainment areas. Activities to report may include application of a dust palliative (magnesium chloride), street sweeping and the paving/chip sealing of dirt roads and shoulders, will vary by nonattainment area.

Congestion Mitigation and Air Quality Improvement Program (CMAQ), 23 U.S. Code § 149:

- When requested, assist ADOT staff with the review and scoring of Congestion Mitigation and Air Quality project funding applications for the Nogales PM 2.5/10 nonattainment area.

Work Element 4: Transportation Improvement Program

4.1 Transportation Improvement Program (TIP):

Identify and prioritize transportation improvement projects that are to be completed over a four-to-five-year period on local and regional roads, using regionally-accepted policies and plans. Projects that meet federal requirements are eligible. The transportation planning process shall be carried out in coordination, continuing, and comprehensive planning effort that facilitates the efficient, economic movement of people and goods in all areas of the State including those areas subject to the requirements of Title 23 U.S.C. 134.

- Maintain an E-STIP account and submit to ADOT MPD a four-to-five-year TIP of prioritized projects, approved by the COG Regional Council, by July 1 each year;
- All TIP Amendments must be entered into E-STIP;
- Provide guidance to local jurisdictions regarding their role in TIP development;
- Review and refine programming evaluation criteria in coordination with the COG's TIP cycle;
- Document the complete decision-making process employed in producing the TIP;
- Monitor approved projects through completion by providing technical assistance to local jurisdictions, and working cooperatively with ADOT Local Government staff and District Engineer(s);
- Conduct a public involvement process in accordance with Work Element 1; and

- Follow guidelines set forth by the Finance Management Section regarding Obligation Authority and expiring funds.
- Based on roadway federal functional classification, verify that projects identified for the TIP are eligible for federal funding.
- Based on roadway federal functional classification, verify that projects identified for the TIP are eligible for federal funding.

Work Element 5: Regional Planning Coordination

5.1 Transportation Technical Advisory Committee:

Maintain a Transportation Technical Advisory Committee (TTAC) comprised of representatives of local jurisdictions and Tribal Nations for the purpose of carrying out regional planning activities. Conduct regular meetings; provide ADOT with all agendas and documentation of discussions and decisions. A member of the ADOT Planning staff will serve as a voting member of the TTAC.

5.2 Technical Support:

- Represent the COG region at ADOT meetings on issues related to State System roadways and public transit within the region;
- Serve on Technical Advisory Committees for state, regional, tribal, and local transportation studies within the region;
- Provide technical input on local, regional, and tribal issues; review local, regional, and tribal plans and provide comment;
- Communicate regularly with the ADOT MPD Regional Planner and District Engineer(s) in regards to planning activities; and
- Coordinate with stakeholders to encourage participation in ADOT planning studies relevant to the region.
- Provide planning level cost estimate services for local agencies on proposed transportation projects as needed.

5.3 ADOT Five-Year Facilities Construction Program:

Work with ADOT and the TAC to prioritize and recommend improvements to roadways on the State Highway System to be considered for inclusion in the ADOT Five-Year Facilities Construction Program.

- Provide ADOT District Engineer(s) with a prioritized list of recommended improvements within their specified timeframe; and
- Provide input to ADOT District Engineer(s) on issues related to the connections between local roads and the State Highway System.
- COG staff shall participate in the ADOT Planning to Programming Project Nomination process “Engineering District Workshops” to assist with regional prioritization of State System projects. The workshops are designed to provide COG, MPO, District, ADOT Technical Group and local elected official input regarding project nominations for the Tentative 5-Year Construction Program updated yearly.

III. Work Elements – Public Transportation / Transit

Work Element 6: Coordinated Mobility Program, Sections 5310.

For a more detailed Mobility Management scope of work description, please refer to your most current ADOT 5310 Grant Contract Exhibit A: Scope of Work.

This work element is funded with administrative funds from the FTA Section 5310 program. Allowable administrative costs include salaries, overhead expenses, supplies, and office equipment used to administer the program and to accomplish the following activities:

- Plan for future transportation needs, and work to integrate and coordinate diverse transportation modes and providers, including those assisted by other federal departments and agencies;
- Liaise between sub-recipients and ADOT in order to identify grant needs and training needs; and
- Assist ADOT by communicating available training opportunities and guidance materials to sub-recipients.

Allowable technical assistance costs may include program planning, program development, development of vehicle and equipment specifications, management development, and coordination of public transportation programs (public and private for-profit and nonprofit).

6.1 Organize, coordinate, and assist in regional application process:

- Participate in Coordinated Mobility Program trainings that are available to sub-recipients. Assist agencies in preparing accurate and complete Coordinated Mobility Program grant applications as needed.
- Conduct an annual capital and operating needs assessment prior to the application submission process. Review and prioritize applications based on need in a manner consistent with the implementation strategies of the Regional Human Services & Public Transportation Coordination Plan and available funding.
- Participate when invited, in the 5310 panel review ranking of applications.

6.2 Lead the coordination planning process for the region, with the goal of helping local agencies make the best use of resources for specialized transportation. This includes:

- Convene a regional coordinating council that meets on at least a quarterly basis, or sub-regional councils in larger regions.
- Solicit participation in coordination planning from seniors; individuals with disabilities; representatives of public, private, and nonprofit transportation and human services providers; and other members of the public.
- Maintain, update, and implement the Regional Human Services and Public Transportation Coordination plan using ADOT and FTA guidelines. Coordination planning efforts and strategies will be documented in this plan; implementation will be oriented to achieving the strategies and actions identified by the regional coordination council as priorities. ADOT only requires the plan be updated to include a current project list and to update any data that was incomplete or not up-to-date in the last approved plan. Maintain a current list of agency contacts for contracts and vehicle issues and a current inventory of passenger vehicles in the region used for public and human service agency transportation services. These inventories will include those funded by ADOT funds and other vehicles in the transportation providers' fleets. (In addition, please see 7.3 for Intercity requirements)
- Create, maintain, and update, on the MPO/COG website, an easy-to-find directory of available transportation services. This will include information on hours of service, eligibility, cost, and information on how to obtain more information about using the services.

6.3 Build capacity among subrecipients to comply with federal requirements.

- Maintain knowledge of current federal requirements, by attending in person and webinar trainings, staying informed of FTA policy changes through the FTA website, and participating in activities such as site visits.
- Participate in procurement activities (such as sitting on an evaluation committee) as requested.
- Provide technical support to sub-recipients based on requests for assistance.
- Provide technical support to sub-recipients that need help in preparing accurate and complete applications, submitting invoices, and submitting routine quarterly reports.
- Support the provision of training to sub-recipients as needed.
- Provide planning level cost estimate services for local agencies on proposed transportation projects as needed.

6.4 Collect Quarterly Report Data

- Collect quarterly reports from all sub-recipients in the Coordinated Mobility Program grants, including all agencies with operating awards and/or vehicles on or off lien that were ADOT procured.
- Data collected should include ridership figures, vehicle mileage, fleet maintenance, and other relevant data.
- Verify the grantee has a system to collect data and notify ADOT of any concerns you might have regarding the accuracy of data submitted.
- Compile information into the ADOT quarterly report format and submit both the quarterly data and forms to ADOT within 60 days after the end of each quarter.
- Report non-compliance of Quarterly Data Reports to ADOT.
- Only upon the request of ADOT, the MPO/COG may be asked to liaise with the sub-recipient in order to collect source data to support the Quarterly Report Data.

Work Element 7: Section 5311, Rural Public Transportation Program

This work element is funded with administrative funds from the FTA Section 5311 program. These funds may be used to:

- Plan for future transportation needs, and develop integration and coordination among diverse transportation modes and providers;
- Assist sub-recipients with complying with federal requirements;
- Develop applications in coordination with grant applicants; and
- Monitor local project activities relating to what areas are being served, budget management, capital projects, ridership, and other relevant program activities.

Allowable administrative costs include salaries, overhead expenses, supplies, and office equipment used to administer the program. Allowable technical assistance costs may include program planning, program development, development of vehicle and equipment specifications, management development, and coordination of public transportation programs (public and private for-profit and nonprofit). Travel costs are eligible and will be reimbursed in accordance with State travel policies.

7.1 Grantee application assistance

- Provide technical assistance, as needed; to applicants for the development of applications (i.e. provide socioeconomic data, census data and assist with identifying partners for consolidation and/or potential expansion of service within a region);

7.2 Participate in the annual evaluation process

- Upon request, COGs will participate in the evaluation process, which includes ranking the applicants according to the evaluation criteria contained in the Section 5311 Guidebook.

7.3 Planning and Coordination

- Include an analysis of Intercity Travel needs for the region particularly for Seniors and Persons with Disabilities in the Coordination Plan.
- Work with ADOT and the TAC to prioritize and recommend transit service and facility improvements in the region;
- Participate in planning or operational studies, as needed, such as when changes in service within the region are considered;
- Collaborate with sub-recipients to develop safety, security and emergency management plans;
- Collaborate with sub-recipients to develop capital improvements with other public, private and non-profit agencies/stakeholders in the region.
- Collaborate with and/or share with ADOT Program Managers regarding needs in the region.

7.4 Build capacity among subrecipients to comply with federal requirements.

- Maintain knowledge of current federal requirements, through attending in person and webinar trainings, following changes through the FTA website, and participating in activities such as site visits.
- Monitor local project activity through participating on advisory boards, reviewing quarterly reports, reviewing notices and printed material for clarity and compliance with FTA requirements, and routine communication with subrecipients.
- Assist sub-recipients with complying with federal requirements.
- Support the provision of training to sub-recipients as needed.

Work Program and Budget Approval

In accordance with JPA 11-014, Section 3.0, the COG shall submit the Work Program and Budget to the Regional Council for approval. The COG may not incur any costs for work outlined in the WP or any subsequent amendments prior to receiving written approval from ADOT, FHWA, and FTA.

RE: Greater Gila County Transit Feasibility & Implementation Study

DATE: June 27, 2018

Summary

CAG applied for Federal Transit Administration (FTA) transit planning funds during the 2015 grant cycle and was awarded funding to determine the feasibility of implementing transit services within the greater Gila County Region to allow residents to fulfill their daily commuting needs that includes medical, educational, shopping, recreational, and emergency travel commitments.

Staff and Committee Recommendations

CAG staff, the TTAC, and Management Committee recommends the Regional Council to approve the findings of the Greater Gila County Transit Feasibility and Implementation Plans.

Proposed Motion

That the CAG Regional Council approve the findings of the Greater Gila County Transit Feasibility and Implementation Plans.

Discussion:

The Greater Gila County Transit Feasibility and Implementation Plans provide recommendations within three sub-regions (Payson-Star Valley, Miami-Globe, and San Carlos Apache Tribe) as well as a Countywide/Regional perspective.

The Feasibility Report includes recommendations that range from developing marketing and advertisement plans, changes to existing services, to development of a new fixed-route transit system where one doesn't exist. The Implementation Plan recommendations include route alternatives, budgets, and potential Regional coordination with key roles and responsibilities.

Alternatives

The Regional Council has the following alternatives to consider for their action:

- Approve the findings as presented;
- Return the item to staff for additional changes or more information.

Fiscal Impacts

The findings of the Greater Gila County Transit Feasibility and Implementation Plan poses no direct Fiscal impacts to CAG.

The \$94,619 project has been included as a contract within the CAG annual budget for the duration of the project.

Background

The study was conducted within two phases. Phase I: Feasibility Study inventoried and analyzed the socioeconomic, land use, cultural, natural, and transportation conditions with the Greater Gila County Region. Phase II: Implementation Plan was contingent upon the decision by the Technical Working Group (TWG) of the study that consisted of local Stakeholders. Phase II provides a system-operating plan by looking at potential new routes and schedules. The Phase also provides estimated costs and fare structures within an overall budget for those potential systems.

CENTRAL ARIZONA GOVERNMENTS Request for Regional Council Action

TO: Regional Council
THROUGH: Robert MacDonald, Executive Director
FROM: Yvonne Tackett, Finance Manager
ACTION: Approval
RE: Financial Report
DATE: June 27, 2018

In accord with the direction of the Regional Council, we are providing an update on the CAG Financial condition through the latest time period. The report contains the following components:

1. Summary of financial activities for the time period since the last report;
2. Accounts receivable list for the last period;
3. Check register/CD5 Journal through the end of the last time period;

We also offer a detailed financial statements on a quarterly basis for the Management Committee and Regional Council and as needed for individual committee members at their request. We will be available at the meeting to answer any questions on the information presented.

Yvonne Tackett, Finance Manager

ACTION: Approval

RE: FY 2019 Annual Membership Dues Assessment

DATE: June 27, 2018

Summary

Each year the CAG staff prepares a recommendation to the Budget Committee, Management Committee and Regional Council for the Annual Membership Dues for the local governments in support of the membership organization. This year, we are proposing the same \$175,000 funding level as was approved for FY 2018. As a reminder, the Annual Membership Dues is used to:

1. Create a minimal fund balance to prevent a critically low levels of funds available for operations;
2. Be used to match our grants;
3. Pay off the accumulated bills that have been delayed due to critically low fund balances;
4. Be used as a CAG internal “revolving line-of-credit” to manage the cash flows of our typical grant reimbursements;
5. Provide working capital for programs and staff to develop grant applications and analysis for possible projects for our local governments. These efforts are typically not reimbursed by the grant for construction activities.

We are proposing the same allocation methodology from the FY 2018 budget to allocate the \$175,000 total dues in the FY 2019 budget (see attached allocation table). Our Executive Committee and Budget Committee suggested that CAG staff analyze and bring forward a proposal for a small increase in the Annual Member Dues for consideration. Currently, the working amount for a proposed increase is \$50,000. CAG staff will bring forward a proposal after the FY 2019 Budget is approved for consideration by the Executive Committee, Management Committee and Regional Council. The general purpose of the additional funds is to create a minimum fund balance or reserve and serve the emergency cash-flow needs while CAG waits for grant reimbursements. We are expecting to increase our fund balance through our proposed FY 2019 Budget as we execute new contracts and programs such as the ASARCO, PRTA and MAG Planning Services. These efforts are expected to bring in \$150,000-\$200,000 of new revenue to CAG over FY 2019.

Staff and Committee Recommendations

The Management Committee and CAG staff recommends the Regional Council approve a \$175,000 annual membership dues assessment.

Proposed Motion

Approve the \$175,000 annual membership dues assessment.

Alternatives

The Regional Council has the following alternatives to consider for their action:

- Approve the item as presented;
- Propose changes and approve the modified item;
- Do not approve the item and return the item to staff for additional changes or more information.

Fiscal Impacts

The CAG financial condition needs to be stabilized over the complete budget year. As the invoices accumulate and reimbursements lag, the fund balance drops to critically low levels with the possibility of payroll being missed. The proposed annual membership dues amount of \$175,000 stabilizes the fund balance for the short-term and allows the new cash-flows from the new contracts to be realized and stabilize the fund balance over the fiscal year. These programs are:

- The ASARCO-funded lead paint abatement program for Winkelman and Hayden which is anticipated to provide \$70-80,000 per year for CAG for 2 ½ years;
- The planning services contract from MAG worth approximately \$40,000 annually with potential to grow over time. In the past that contract was worth over \$200,000 to CAG when we had 5-6 staff in the GIS Department. We currently have 1.25 FTEs allocated for GIS projects for all the existing programs and this new project.
- The Pinal RTA Administration contract with CAG will provide some new revenue once the program begins. The estimate new revenue for CAG is approximately \$100-150,000 annually. This contract will be negotiated/approved between the CAG Regional Council and the PRTA Board of Directors. The total statutory administrative amount for RTAs is \$300,000 for all administrative functions including staff, attorney, auditing, and other costs the PRTA and CAG will discover.

RE: Rural Transportation Advocacy Council (RTAC) Assessment for FY 2019

DATE: June 27, 2018

Summary

During the May 14th Rural Transportation Advocacy Council (RTAC) meeting, their FY 2019 Assessments were presented (see Attachment 1). The FY 2019 Assessment for CAG/SCMPO is the same as FY 2018 at \$45,166 and will be included in the CAG FY 2019 Budget as a RTAC Table (See Attachment 2). The RTAC Proposed Budget for FY 2019 was also presented at their May 14th meeting (see Attachment 3). Finally, their list of accomplishments were presented as part of the RTAC Budget discussions (see Attachment 4).

Staff and Committee Recommendations

The Management Committee and CAG staff recommend the Regional Council approve the RTAC Assessment for FY 2019.

Proposed Motion

Approve the RTAC Assessment FY 2019.

Alternatives

The Regional Council has the following alternatives to consider for their action:

- Approve the item as presented;
- Propose changes and approve the modified item;
- Return the item to staff for additional changes or more information.

Fiscal Impacts

This annual RTAC Assessment is collected through CAG from the member governments. This assessment is listed in the Draft CAG FY 2019 Budget as a pass through expense under contracts.

2017-18 RTAC ACCOMPLISHMENTS:

- Developed and continue to expand a broad coalition of public and private sector stakeholders to advance a transportation infrastructure agenda at the State Capitol.
- Successfully incorporated the stakeholder agenda into the agenda and priorities of the Legislature's transportation committee chairmen.
- Successfully passed legislation creating a highway safety fee to fully pay for Highway Patrol operations and scale back alternative fuel vehicle tax exemptions.
- Successfully reduced the HURF transfers in the FY18/19 budget holding local governments harmless and reducing the transfers from ADOT and the state highway system. Longer term, the highway safety fee will provide lawmakers with a sustainable means of entirely eliminating future HURF transfers.
- Passed legislation through the Senate and almost through the House that would have doubled the transportation sales tax capacity that counties could take to their voters. Set up a solid platform for a successful push for this legislation next session.
- Engaged local elected officials in pushing the transportation funding agenda with their legislators providing them with relevant information and talking points for effective and coordinated advocacy.
- Successfully reinstated the HURF Exchange Program and continue to work with ADOT on its implementation and long term success.
- Continue to be a prominent advisor for the Arizona Chamber of Commerce Accelerate Arizona campaign, a private-sector led effort to educate and increase support for infrastructure investment among the State's business leaders.
- Continue to serve on the Arizona Council for Transportation Innovation along with senior ADOT and FHWA officials. Promoted greater interaction with rural areas and local governments.
- Served on numerous other Arizona boards and committees influencing their policy decisions and actions on behalf of rural Arizona including the Transportation Business Partners, Arizona Highway Users, and the ADOT Local Public Agencies Stakeholders Committee.
- Provided a presentation on transportation revenue opportunities at the Arizona Roads & Streets Annual Conference.
- Re-elected to the Board of Directors of the National Association of Development Organizations (NADO), filling 1 of 3 slots allocated to the 63 nationwide associate members.
- Selected to the Board of Directors for the Arizona Highway Users Association.

- Serve on the American Road & Transportation Builders Association's (ARTBA) Transportation Investment Advisory Council (TIAC) and TIAC's legislative committee. Asked to provide a presentation on coordinating rural and urban interests for transportation funding measures at TIAC's annual Washington conference.

- Continued to expand the distribution for RTAC legislative updates and other information supporting greater infrastructure quality and investment.

ARIZONA HOUSE OF REPRESENTATIVES

HB 2065: public meetings; definition; penalties

PRIME SPONSOR: Representative Leach, LD 11

BILL STATUS: [Chapered](#)

Legend:

AG – State Attorney General

Amendments – **BOLD** and ~~Stricken~~ (Committee)

Abstract

Relating to open meeting requirements and violations.

Provisions

1. Requires the minutes of meetings of public bodies to include a record of how each member voted and the names of members who propose each motion. (Sec. 2)
2. Permits the AG to commence a suit in superior court against an individual member of a public body for knowingly violating open meeting requirements.
 - a. Specifies that a suit against an individual member must occur in the county in which the public body usually meets. (Sec. 3)
3. Permits the court to impose civil penalties in the following amounts for any person who knowingly commits an open meeting law violation.
 - a. Up to \$500 for a second offense, rather than for each offense;; and
 - b. Up to \$2,500 for the third and any subsequent offenses. (Sec. 3)
 - o *Currently, the court may impose a civil penalty of up to \$500 for each violation ([A.R.S. § 38-431.07](#)).*
4. Prohibits a public body from paying a civil penalty on behalf of an individual or otherwise reimbursing an individual who is penalized for violating open meeting requirements. (Sec. 3)
5. Stipulates that the court may only impose a civil penalty on a person who knowingly violates open meeting requirements. (Sec. 3)
6. Stipulates that if the court finds that person who might otherwise be liable for an open meeting violation objected on a public record to the action of the public body, the court may choose not to impose a civil penalty on that person. (Sec. 3)
7. Stipulates that a public officer with intent to deprive the public of information must have knowingly violated open meeting requirements in order for the court to remove that officer from public office and find them liable for all costs and attorney fees awarded to the plaintiff. (Sec. 3)
8. Expands the definition of *meeting* relating to open meeting requirements to include:
 - a. A one-way electronic communication sent from one member of a public body to a quorum of the members and that proposes legal action; and
 - b. An exchange of electronic communications among a quorum of the members of a public body that involves a discussion, deliberation or legal action on a matter to come before the body. (Sec. 1)
9. Makes technical and conforming changes. (Sec. 1, 2, 3)

Current Law

----------------------------------------------	----------------------------------------------	-----------------------------------------------	--------------------------------------

All meetings of public bodies must be public meetings open to all persons desiring to be permitted to attend or listen to the deliberations and proceedings. All legal actions of public bodies are required to occur during public meetings. All public bodies are required to provide minutes of their meetings which must include: the time and location of the meeting; attendance of the members; a general description of considered items; and an accurate description of all legal actions taken ([A.R.S. § 38-431.01](#)). All legal action transacted by a public body during a meeting held in violation of open meeting requirements is considered null and void ([A.R.S. § 38-431.05](#)).

Upon receipt of a written complaint alleging a violation of open meeting requirement, the AG or county attorney may begin an investigation ([A.R.S. § 38-431.06](#)). Any person affected by an alleged violation, the AG or the county attorney may commence a suit in superior court for the purpose of requiring compliance with open meeting law requirements. The court may impose a civil penalty of up to \$500 for each violation against a person who violates open meeting requirements.

CHAPTER 229
HOUSE BILL 2065

AN ACT

AMENDING SECTIONS 38-431, 38-431.01 AND 38-431.07, ARIZONA REVISED
STATUTES; RELATING TO PUBLIC MEETINGS AND PROCEEDINGS.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 38-431, Arizona Revised Statutes, is amended to
3 read:

4 38-431. Definitions

5 In this article, unless the context otherwise requires:

6 1. "Advisory committee" or "subcommittee" means any entity, however
7 designated, that is officially established, on motion and order of a
8 public body or by the presiding officer of the public body, and whose
9 members have been appointed for the specific purpose of making a
10 recommendation concerning a decision to be made or considered or a course
11 of conduct to be taken or considered by the public body.

12 2. "Executive session" means a gathering of a quorum of members of
13 a public body from which the public is excluded for one or more of the
14 reasons prescribed in section 38-431.03. In addition to the members of
15 the public body, officers, appointees and employees as provided in section
16 38-431.03 and the auditor general as provided in section 41-1279.04, only
17 individuals whose presence is reasonably necessary in order for the public
18 body to carry out its executive session responsibilities may attend the
19 executive session.

20 3. "Legal action" means a collective decision, commitment or
21 promise made by a public body pursuant to the constitution, the public
22 body's charter, bylaws or specified scope of appointment and the laws of
23 this state.

24 4. "Meeting":

25 (a) Means the gathering, in person or through technological
26 devices, of a quorum of THE members of a public body at which they
27 discuss, propose or take legal action, including any deliberations by a
28 quorum with respect to ~~such~~ THAT action.

29 (b) INCLUDES:

30 (i) A ONE-WAY ELECTRONIC COMMUNICATION BY ONE MEMBER OF A PUBLIC
31 BODY THAT IS SENT TO A QUORUM OF THE MEMBERS OF A PUBLIC BODY AND THAT
32 PROPOSES LEGAL ACTION.

33 (ii) AN EXCHANGE OF ELECTRONIC COMMUNICATIONS AMONG A QUORUM OF THE
34 MEMBERS OF A PUBLIC BODY THAT INVOLVES A DISCUSSION, DELIBERATION OR THE
35 TAKING OF LEGAL ACTION BY THE PUBLIC BODY CONCERNING A MATTER LIKELY TO
36 COME BEFORE THE PUBLIC BODY FOR ACTION.

37 5. "Political subdivision" means all political subdivisions of this
38 state, including without limitation all counties, cities and towns, school
39 districts and special districts.

40 6. "Public body" means the legislature, all boards and commissions
41 of this state or political subdivisions, all multimember governing bodies
42 of departments, agencies, institutions and instrumentalities of this state
43 or political subdivisions, including without limitation all corporations
44 and other instrumentalities whose boards of directors are appointed or
45 elected by this state or A political subdivision. Public body includes

1 all quasi-judicial bodies and all standing, special or advisory committees
2 or subcommittees of, or appointed by, the public body. Public body
3 includes all commissions and other public entities established by the
4 Arizona Constitution or by way of ballot initiative, including the
5 independent redistricting commission, and this article applies except and
6 only to the extent that specific constitutional provisions supersede this
7 article.

8 7. "Quasi-judicial body" means a public body, other than a court of
9 law, possessing the power to hold hearings on disputed matters between a
10 private person and a public agency and to make decisions in the general
11 manner of a court regarding such disputed claims.

12 Sec. 2. Section 38-431.01, Arizona Revised Statutes, is amended to
13 read:

14 38-431.01. Meetings shall be open to the public

15 A. All meetings of any public body shall be public meetings and all
16 persons so desiring shall be permitted to attend and listen to the
17 deliberations and proceedings. All legal action of public bodies shall
18 occur during a public meeting.

19 B. All public bodies shall provide for the taking of written
20 minutes or a recording of all their meetings, including executive
21 sessions. For meetings other than executive sessions, ~~such~~ THE minutes or
22 recording shall include, ~~but not be limited to:~~

23 1. The date, time and place of the meeting.

24 2. The members of the public body recorded as either present or
25 absent.

26 3. A general description of the matters considered.

27 4. An accurate description of all legal actions proposed, discussed
28 or taken, ~~and the names of members who propose each motion~~ INCLUDING A
29 RECORD OF HOW EACH MEMBER VOTED. The minutes shall also include THE NAMES
30 OF THE MEMBERS WHO PROPOSE EACH MOTION AND the names of the persons, as
31 given, ~~making~~ WHO MAKE statements or ~~presenting~~ PRESENT material to the
32 public body and a reference to the legal action about which they made
33 statements or presented material.

34 C. Minutes of executive sessions shall include items set forth in
35 subsection B, paragraphs 1, 2 and 3 of this section, an accurate
36 description of all instructions given pursuant to section 38-431.03,
37 subsection A, paragraphs 4, 5 and 7 and ~~such~~ other matters as may be
38 deemed appropriate by the public body.

39 D. The minutes or a recording of a meeting shall be available for
40 public inspection three working days after the meeting except as otherwise
41 specifically provided by this article.

1 E. A public body of a city or town with a population of more than
2 two thousand five hundred persons shall:

3 1. Within three working days after a meeting, except for
4 subcommittees and advisory committees, post on its website, if applicable,
5 either:

6 (a) A statement describing the legal actions taken by the public
7 body of the city or town during the meeting.

8 (b) Any recording of the meeting.

9 2. Within two working days following approval of the minutes, post
10 approved minutes of city or town council meetings on its website, if
11 applicable, except as otherwise specifically provided by this article.

12 3. Within ten working days after a subcommittee or advisory
13 committee meeting, post on its website, if applicable, either:

14 (a) A statement describing legal action, if any.

15 (b) A recording of the meeting.

16 F. All or any part of a public meeting of a public body may be
17 recorded by any person in attendance by means of a tape recorder or camera
18 or any other means of sonic reproduction, provided that there is no active
19 interference with the conduct of the meeting.

20 G. The secretary of state for state public bodies, the city or town
21 clerk for municipal public bodies and the county clerk for all other local
22 public bodies shall conspicuously post open meeting law materials prepared
23 and approved by the attorney general on their website. A person elected
24 or appointed to a public body shall review the open meeting law materials
25 at least one day before the day that person takes office.

26 H. A public body may make an open call to the public during a
27 public meeting, subject to reasonable time, place and manner restrictions,
28 to allow individuals to address the public body on any issue within the
29 jurisdiction of the public body. At the conclusion of an open call to the
30 public, individual members of the public body may respond to criticism
31 made by those who have addressed the public body, may ask staff to review
32 a matter or may ask that a matter be put on a future agenda. However,
33 members of the public body shall not discuss or take legal action on
34 matters raised during an open call to the public unless the matters are
35 properly noticed for discussion and legal action.

36 I. A member of a public body shall not knowingly direct any staff
37 member to communicate in violation of this article.

38 J. Any posting required by subsection E of this section must remain
39 on the applicable website for at least one year after the date of the
40 posting.

1 Sec. 3. Section 38-431.07, Arizona Revised Statutes, is amended to
2 read:

3 38-431.07. Violations; enforcement; civil penalty; removal
4 from office; in camera review

5 A. Any person affected by an alleged violation of this article, the
6 attorney general or the county attorney for the county in which an alleged
7 violation of this article occurred may commence a suit in the superior
8 court in the county in which the public body ordinarily meets, for the
9 purpose of requiring compliance with, or the prevention of violations of,
10 this article, by ~~members of~~ the public body AS A WHOLE, or to determine
11 the applicability of this article to matters or legal actions of the
12 public body. ~~For each violation~~ THE ATTORNEY GENERAL MAY ALSO COMMENCE A
13 SUIT IN THE SUPERIOR COURT IN THE COUNTY IN WHICH THE PUBLIC BODY
14 ORDINARILY MEETS AGAINST AN INDIVIDUAL MEMBER OF A PUBLIC BODY FOR A
15 KNOWING VIOLATION OF THIS ARTICLE, AND IN SUCH A SUIT the court may impose
16 a civil penalty ~~not to exceed five hundred dollars~~ against ~~a~~ EACH person
17 who KNOWINGLY violates this article or who knowingly aids, agrees to aid
18 or attempts to aid ~~another person~~ in violating this article and order ~~such~~
19 equitable relief as ~~it~~ THE COURT deems appropriate in the circumstances.
20 THE COURT MAY IMPOSE A CIVIL PENALTY NOT TO EXCEED FIVE HUNDRED DOLLARS
21 FOR THE SECOND OFFENSE AND NOT TO EXCEED TWO THOUSAND FIVE HUNDRED DOLLARS
22 FOR THE THIRD AND SUBSEQUENT OFFENSES. IF THE COURT IMPOSES A CIVIL
23 PENALTY AGAINST AN INDIVIDUAL MEMBER OF THE PUBLIC BODY WHO KNOWINGLY
24 VIOLATES THIS ARTICLE, THE PUBLIC BODY MAY NOT PAY THE CIVIL PENALTY ON
25 BEHALF OF, OR OTHERWISE REIMBURSE, THE INDIVIDUAL AGAINST WHOM THE CIVIL
26 PENALTY HAS BEEN IMPOSED. IF THE COURT FINDS THAT A PERSON WHO MIGHT
27 OTHERWISE BE LIABLE UNDER THIS SUBSECTION OBJECTED TO THE ACTION OF THE
28 PUBLIC BODY AND THE OBJECTION IS NOTED ON A PUBLIC RECORD, THE COURT MAY
29 CHOOSE NOT TO IMPOSE A CIVIL PENALTY ON THAT PERSON. The civil penalties
30 awarded pursuant to this section shall be deposited into the general fund
31 of the public body concerned. The court may also order payment to a
32 successful plaintiff in a suit brought under this section of the
33 plaintiff's reasonable attorney fees, by the defendant state, the
34 political subdivision of the state or the incorporated city or town of
35 which the public body is a part or to which it reports. If the court
36 determines that a public officer with intent to deprive the public of
37 information KNOWINGLY violated any provision of this article, the court
38 may remove the public officer from office and shall assess the public
39 officer or a person who knowingly aided, agreed to aid or attempted to aid
40 the public officer in violating this article, or both, with all of the
41 costs and attorney fees awarded to the plaintiff pursuant to this section.

42 B. A public body shall not expend public monies to employ or retain
43 legal counsel to provide legal services or representation to the public
44 body or any of its officers in any legal action commenced pursuant to any
45 provisions of this article, unless the public body has authority to make

1 ~~such~~ THE expenditure pursuant to other provisions of law and takes a legal
2 action at a properly noticed open meeting approving ~~such~~ THE expenditure
3 ~~prior to~~ BEFORE incurring any ~~such~~ obligation or indebtedness.

4 C. In any action brought pursuant to this section challenging the
5 validity of an executive session, the court may review in camera the
6 minutes of the executive session, and if the court in its discretion
7 determines that the minutes are relevant and that justice so demands, the
8 court may disclose to the parties or admit in evidence part or all of the
9 minutes.

APPROVED BY THE GOVERNOR APRIL 17, 2018.

FILED IN THE OFFICE OF THE SECRETARY OF STATE APRIL 17, 2018.

**RURAL TRANSPORTATION ADVOCACY COUNCIL
TRANSPORTATION BILL SUMMARY (FINAL OUTCOME)
MAY 9, 2018**

BILL# SPONSOR	TITLE	DESCRIPTION	STATUS
H2027 Friese	Alternative Fuel Special Plates; Veterans	If a vehicle is eligible for both a veteran and alternative fuel special plate, authorizes ADOT to issue an alternative fuel sticker for use with the veteran special plate	Passed House Trans & Infra Cmte 7-0 on 1/17, passed House 57-0 on 2/8. Sent to Senate, passed Senate Trans & Tech Cmte 7-0 on 2/27, passed Senate 30-0 on 4/3. Governor signed on 4/5.
H2092 Cook	Police Vehicles; HOV Lanes	Authorizes police driving clearly marked police vehicles carrying less than two persons to drive in HOV lanes at all times - Amended to specify that the officer must be on duty	Passed House Trans & Infra Cmte 7-0 on 1/17 amended, passed House 49-9 on 2/12. Sent to Senate, passed Senate Commerce & Public Safety Cmte 8-0 on 3/5, passed Senate 30-0 on 3/26. Governor vetoed on 3/29.
H2106 Weninger	International Trade; Transportation; Authority	“Strike everything” amendment establishes an International Transportation and Trade Corridor Authority to further the use of transportation and trade facilities including their financing, construction, maintenance, operations, promotion and marketing	Passed House Commerce Cmte 9-0 on 1/30, passed House 51-8 on 2/20. Sent to Senate, withdrawn from Senate Trans & Tech Cmte on 3/22, passed Senate Approps Cmte 6-3 on 3/27 with a “strike everything” amendment, ready for Senate Rules Cmte. Failed to pass prior to adjournment.
HB2159 Campbell	Traffic Violations; Traffic Survival School (now also a texting ban)	Requires individuals convicted of DUI’s to attend traffic survival school. - Amended by Senate to prohibit texting while operating a vehicle, sets penalties and provides affirmative defenses including use of a hands-free device, use of a navigation system, emergencies, and activation of a music function.	Passed House Trans & Infra Cmte 7-1 on 1/24 amended, passed House Judiciary & Public Safety Cmte 7-2 on 2/7 amended, passed House 58-1 on 2/15. Sent to Senate, passed Senate Trans & Tech Cmte 7-0 on 2/27, amended by full Senate on 3/15, passed Senate 19-11 on 3/15. Sent to House on 3/15 to consider Senate amendments, conference cmte recommended on 4/17, members appointed on 4/18, awaiting hearing. Failed to pass prior to adjournment.
H2162 Campbell	County Excise Tax for Transportation	The “strike everything” amendment doubles the current transportation excise tax rate authority from one-half cent to one cent that counties may refer to the voters except Maricopa County which retains its current one-half cent authority, modifies renewal processes for existing transportation excise taxes, and sets maximum 20-year termination date. * Amended in similar form to SB1147	Passed House Trans & Infra Cmte 7-1 on 1/31 amended, passed House 51-6 on 2/8. Sent to Senate, passed Senate Trans & Tech Cmte 7-0 on 3/20 with a “strike everything” amendment, passed Senate 17-12 on 5/3, sent to House for consideration of Senate-amended version, concurrence recommended on 5/4. Failed to pass prior to adjournment.
H2166 Campbell	Vehicle Fees; Alternative Fuel VLT	Creates a highway safety fee that would be collected with annual vehicle registration payments set by the ADOT Director at a level that will generate 110% of the DPS Highway Patrol annual costs currently estimated at \$130 million. Repeals existing tax exemptions for alternative fuel vehicles. - Amended to modify and phase in the effective date of the alt fuel vehicle VLT exemption repeals.	Passed House Trans & Infra Cmte 7-1 on 2-7 amended, passed House 35-24 on 2/20. Sent to Senate on 2/21, substituted for SB1146 and passed by Senate 17-13 on 4/23. Governor signed on 4/25.

CENTRAL ARIZONA GOVERNMENTS
Request for Economic Development District Board Approval

TO: Regional Council
THROUGH: Robert MacDonald, Executive Director
FROM: Brad Mecham, Economic Development & Planning Manager
ACTION: Approve
RE: Comprehensive Economic Development Strategy (CEDS)
DATE: June 27, 2018

Summary

Each year, CAG staff is tasked with updating the Comprehensive Economic Development Strategy (CEDS) for the CAG region. This is done in cooperation with the CEDS Committee, made up of private and public sector representatives from throughout Gila and Pinal Counties. This year, CAG created an annual update of the CEDS, which includes a new project listing included in the appendix of the CEDS. As projects are identified in the CEDS, they qualify for competitive grant funding from the Economic Development Administration, and assists in vetting projects for other grant sources.

Staff and Committee Recommendations

Approve the CEDS.

Proposed Motion

Recommend that the Economic Development District Board approve the CEDS as presented.

Discussion:

The final draft will be submitted to the Economic Development Administration by the end of July.

Alternatives

N/A

Fiscal Impacts

CAG receives \$70,000 each year from the EDA to complete the CEDS updates and participate in regional economic development activities.
